NOTE.—After the death of the Mormon Prophet, Joseph Smith, a band of Mormons called "Danites," or destroying angels, were commissioned by the Elders of their Church to destroy all who participated in the death of their Prophet, together with all members of their families, wives, mothers and children. COMING ATTRACTIONS

Are always a source of interest,—theatrical or otherwise. Our attraction just now is the new coal we are receiving daily. It comes direct from the mines, in box cars; is clean, dry, and strictly first-class. All orders, large or small, will receive our prompt and careful attention. Offices, 421 Richmond St., and 316 Burwell St. A. D. Cameron & Son.

THE FICKLE PUBLIC.

When melodrama holds the stage,
The people for the minstrels rage.

And when the troubadours are starred.
Their fancy turns to Avon's bard.

But when the house with Shakespeare's filled,
They want to see the opera billed.

Then when the opera fills the house,
They call for farce "mit Saus und Braus."

And so it goes; and it's a race
'Twixt manager and populace.

For, spite of broad and varied range
The fickle people always change.

And always quit the best to see
Some stupid meeting, billed as "Free."

WE call the attention of our business man to the PROGRAM as an advertising medium. It reaches the class of people whose trade you want, and the way to get that trade is to make yourself known.
